SOME THINGS NEVER CHANGE . . .

We have spent the last four years of our lives here at Chicopee Comprehensive. In those four years many things have remained constant. Comp has been our home away from home for us. It's been our "CHEERS". It's been a place where we could come and "everyone knows your name."

Inside the walls of Chicopee Comprehensive we have spent the best and most exciting years of our lives. We have discovered friendship, both lost and found and especially renewed. We've experienced love and anger and joy and disappointment. As Freshmen we were anxious to enter high school and uncertain of how our four years would be. As Seniors we were anxious to move on and uncertain about life outside of Comp and the city of Chicopee.

We have been taught both our daily lessons and about life in "the real world" by our teachers here at Comp. They have cared about us enough to teach us how to be successful in life. This will continue after we leave Comp. The teachers, administration, and the entire staff at Comp will continue to care about all the other students who pass through these halls.

However, the many things that will remain the same, can't change the fact that many others will change. Our friends of many years won't be as close. The easy-going, second-family atmosphere will be gone forever. But, just as we go on; so will Chicopee Comprehensive.

The past four years have also had many changes. These changes are what make each year special - our class special. And these changes will be the things that we will remember. They will become the memories that will live with us always.

*Making your way in the world
today,
takes everything you've got.
Taking a break from all your
worries,
sure would help a lot.
Wouldn't you like to get away?
Sometimes you want to go,
where everybody knows your
name.
And they're always glad you
came.
You want to be where you can
see,
the troubles are all the same.
You want to go,
where everybody knows your
name.*

BUT SOME THINGS DO!

Dedication

One of the major changes at Chicopee Comp during the past year took place as a result of Vice Principal Julie Leonard's departure. Mrs. Leonard left Comp to become principal of Bellamy Middle School. Mr. Alfred Pinciak was promoted to Vice Principal of Comp and Mr. Stanley Kozikowski was chosen Assistant Principal.

However, during the first three months of school one teacher served as Acting Assistant Principal. During these months this teacher accomplished many things and aided the students at Comp without hesitation. She has been English Dept. Head and she has taught many of the students in our class. Many of us have become very close to this teacher in our years here, especially this year. She is not only an enthusiastic teacher but also a great friend. She has been there to talk to and always gave us her honest and unbiased opinion. Most recently she has shown her dedication, not only to the students of the present but also to those in the future, as she became Advisor for the Student Advisory Committee. She has worked with students from both high schools trying to better our school system. Rarely is there such a teacher with these qualities - we are lucky to have had one here at Comp.

And so, with gratitude, for the all that she has taught us; admiration, for her ability to turn her students into friends; thanks for the times she has just listened and also for all her advice; and with sincere love; from the entire class; *Memini 1992* is dedicated to Mrs. Kathleen Baker.

Her class brought us through the poetry of Frost, the novels of Bronte and Dickinson, and through the challenge of writing our application essays. Her smile brightened our days and dried our eyes. Her dedication to all her students is admired by her colleagues, by parents, but most of all by the Class of '92.

Thank you Mrs. Baker

Underclassmen

Juniors

The junior class at Chicopee Comp this year has already made a number of contributions to the school and to the community. We have done this in the classroom by inducting 47 students into the National Honor Society this past fall. The junior class also plays a big part in the school's rallies by being one of the loudest classes. I believe that our goal as a class should be to carry over these contributions to our post-graduation activities, whatever they may be.

Juniors participate in nearly every sport at Chicopee Comp. Todd Martin feels that, "our junior athletes are good athletes. I think next year our senior class can be effective leaders in most of the school sports."

When asked about our class spirit, George Tiggle said, "it's alright but we need to get our act together . . . so shape up juniors."

Finally, after graduation next year, everyone in the class will go their own way. I asked some juniors what their plans were, and here's what they said:

Mark Wylie: "I hope to go to a four year institution. I also hope there will be jobs for me when I get out of college."

Dennis Desormier: "I want to go to a four year college, major in math or engineering, and try to enjoy it."

Sophomores

Sophomore year was a change from freshman year. We were treated with a lot more respect. It was a year we all took a step higher in achieving our goals, whether in sports, activities, or academics. Our outlook on school has increased over the year, and throughout the last two years we learned to recognize what is to become of the future. The ambition to reach the top has stayed the same. To do so, that means moving on and looking forward to the rest of our years here at Comp. It also means new ideas to come, and those ideas can help make our years better.

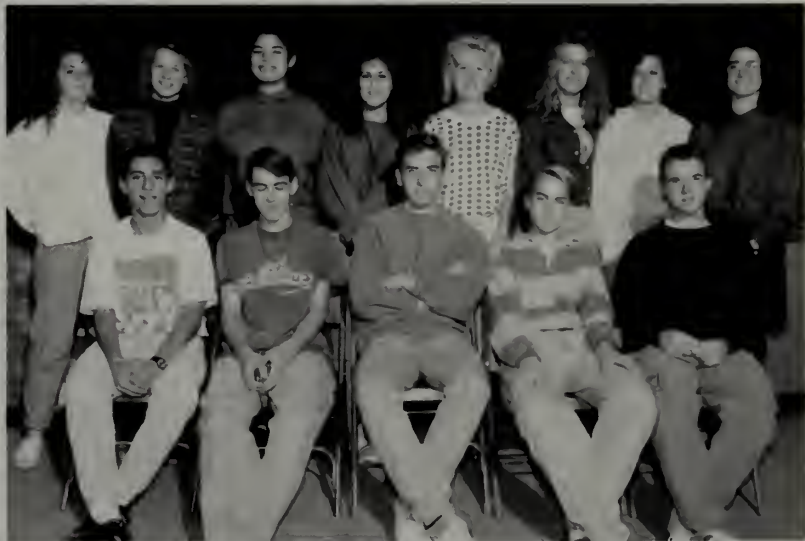

This year we raised money for our class dues. Our fund raiser was a cookie drive. It was a great success! Also, the Student Council members had the chance to sell M&M's. In addition, we had a chance to buy class rings, an item that will be treasured forever. We also had a dance to raise money for the class. This year was great, but we are all anxiously looking forward to our junior year.

In addition we played the Chicopee High sophomore class in a friendly game of football. The Comp sophomore guys won 28-16 and the Comp sophomore girls won 7-0.

Freshmen

As a freshman, entering high school was both an exciting and scary experience. Scary because I didn't really know what to expect. There was a great fear of the unknown. Exciting because it was something new, I was in high school!

It felt different going to school without my close friends who had gone to Chicopee High. It seemed as if half our class was missing. We really needed to come together as a class with the freshman from other schools.

During the course of the first few weeks, I met a lot of new people. The school, the people, the teachers, and the routine soon became familiar to me.

The first rally was quite an experience for the freshman class. The rally was something new and our class still hadn't come together yet.

My experiences as a freshman seem promising and I'm looking forward to three more exciting years with my class, the Class of '95'.

1992 BOYS VARSITY SOCCER

The boys varsity soccer team finished its regular season with a 6-1 record. The team finished one point out of first place and qualified for the Western Mass Tournament.

The 1991 team had to overcome substantial problems to achieve success. After starting out on a high note, the team was hit with several injuries of some key players. With a number of experienced players, the undermanned starters picked up the pieces and persevered their way to the Tournament.

In the Tournament, against West Springfield, the team showed great character as they outfought and out worked a superior West Springfield team to the very end only to come out one goal short. Congratulations to Dan Chagnon for making Western Mass 10 years in a row.

Joel Wrisley: Season went well, but we could've done better.

Dan Chagnon: It was disappointing to lose to West Side in the Quarter-finals.

The 1991 girls varsity soccer team got off to a slow start but moved in the right direction. The whole team improved their skills, attitude and teamwork, which led them to break their thirty-three consecutive losses, and beat Minnechaug 3-2. They ended their season with a 2-13-2 record.

Congratulations to Julie Heroux for scoring the three goals that led them out of their slump. Also, congratulations to the 1991 girls soccer team for a much improved year.

1992 BOYS VARSITY FOOTBALL

The boys varsity football team ended its season with a 0-10 record. Even though the team did not win any games this year, they were very determined, worked hard, and showed a lot of heart.

They were close to many victories but could never seem to hold on to it. Coach Dutsar states that "the strength of our team is the desire to excel and improve every week."

Congratulations to Jeff Kijak who was one of the top scorers in Western Mass.

Another hurdle was placed in front of Comp athletes this year, this one, however, was put there by our own school committee. This hurdle is the user fee, and all those who played a sport were required to pay one to the school. The user fee was instituted to help pay for bussing, equipment, coach's salaries, and all other expenses previously paid by the school. The fee ranged in cost from 20 to 80 dollars, depending on the sport. Sports like Swimming and Track don't cost very much because of the low cost of equipment and facilities, but a sport like Hockey is very expensive because the school was to rent a rink. However, Mr. Vyce, coach of the Boy's Varsity So Basketball, said he thinks there "should be a standard fee for all sports."

There was, understandably, a significant amount of displeasure among both coaches and athletes about the fact that these fees had been put on the students.

Both viewed it as limiting their teams potential and as something the School Department should be paying. According to Mr. Davis, coach of Boy's Varsity Soccer and Track, "The Chicopee School system should support the sports they sponsor." Another problem arose, too. If a player's skill level wasn't high enough to allow him to play that often, you might have gotten cheated out of the money. According to Senior Football player Myke Lengieza, "It's unfair for people who pay to play, but don't".

The fact that the school urges students to get involved in school activities and then requires them to pay in order to participate, is not right. Mr. Vyce did say that the "fees will be temporary." Let's hope he's right so that it isn't a permanent burden on future Comp students.

The Boys Varsity Basketball team finished off their season with a 10-11 record. The team was also included in the three-way tie for first in the Valley Wheel. Top scorer on the team was Jeff Kijak. Top rebounder was Jeremy Lewis. Despite the fact that Mr. Vyce had a basically young team, he did very well over all. Congratulations Mr. Vyce! Good luck next year!

Captain Jeff Kijak

Goin' for three! (Jolan Makowski)

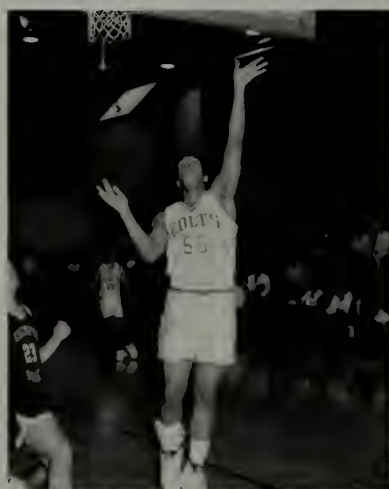

QUOTE

Sean Sweeney - I felt that the season was good because of the experience it gave all the younger players but I was disappointed about the season record. I thought we could have done better. I hope the sophomores learn to swim better since we are always under water.

Jeff Kijak - I felt the season had its highs and lows. The high was the Valley League Championships. The low was losing in the first round.

The Girls Varsity Basketball Team completed its 1991-92 season with a 6 and 4 record in the Valley League. Outstanding efforts by the four seniors, especially MVP Julie Heroux, led the team to a victorious season. Senior co-captains Jodi Klekotka and Tracy Brogle had a significant, unifying effect of the attitude on the team's attitude and morale. The team's motto, "INTENSE," says it all.

This year the Hockey team finished its season with a - record. The Hockey team had many boundaries to get over this year. First, there was an \$80.00 users fee for every player to pay. Mr. Bowden felt that this high price did not affect the number of kids who came out for the team. Second, the team also was very young. Good job this year Mr. Bowden.

QUOTE

Mr. Bowden - despite the high price I felt that we had a good turnout. If someone really wants to play Hockey, then they should not mind the price.

Tim Loudon - season did not go as well as I expected. A lot of kids did not act as if they cared what happened during the first half of the season.

Student Life

Student Life

It was a year full of good times to be had. The fun began in the hallways. Seniors first glimpse of their final year began with announcements of caps and gowns. Committees were formed. Elections of officers. And our Spirit Rally took place as we welcomed the Chicopee Pacers to our gym. Juniors and seniors were inducted into the National Honor Society. Dances were sponsored to raise much needed funds. Then the holidays arrived and our spirits were rekindled, the Student Council held their Christmas Party and the seniors sponsored a Cotillion. As we returned from vacation, plans for the springtime were in bloom. Yet there were more memories still to come. The Her Dance, the Proms, and cheering for the Blue & Gold. Finally graduation and whatever the future had to hold

PRINCIPAL'S DAY

The Massachusetts Association of Student Councils declared January 17, 1992 Statewide Principals' Day. The Student Council at Comp went all out to make sure that Mr. Kudzdal had a day he would never forget. His office, the main office and the gym were all decorated. Mr. Kudzdal was picked up at his home and chauffeured to school where he was treated to breakfast. Later, the Council Officers took him out to lunch at a local restaurant. After lunch, he was treated to a SURPRISE!! Assembly in his honor. Each class presented him with a gift as did the Council and Faculty. Mayor Chessey proclaimed Jan. 17, 1992 - Mitchell S. A special thanks to Chicopee Comp, for all the support you gave me our Sophomore Year. You stuck by me and showed me your concern through the most horrible experience of my life. Thank You again for all the letters, calls, cards, the collection, the tape, and most of all, your support. You really helped me pull through. An additional thanks to Jennifer Christianson, Hollie LaRochelle, and Dolores Borowiec.

Great Appreciation,

In Closing . . .

The 1991-92 school year has been a memorable one. The world rejoiced as Communism fell and the Soviet Union was no more. The Palestinians released all their American hostages including Terry Anderson. The Winter Olympics most vividly showed the changes of Eastern Europeans. All Germans played for the same country and flag and the Russian athletes had not flag or anthem. Magic Johnson shocked the country with his announcement that he had contracted the HIV virus and his subsequent retirement. However Magic became a Spokesman for the disease and for the effort to promote AIDS awareness.

It has also been a memorable year here at Comp. It was memorable mostly because it was OUR Senior year of high school. Seniors are traditionally supposed to have fun and live it up and we sure didn't break that tradition!!

No matter how separate our class has been these past four years - we will always be one Class of '92. No matter how many different pieces of this puzzle we've been always will fit together to form one unique picture. All the good and bad memories add to make our whole picture even better, even though it didn't seem it at the moment.

Thank You . . .

Mr. Raymond Boulais, yearbook advisor, for all his trust, confidence, and support throughout the year. No one realizes how much work you put into our yearbooks every year. All your help is greatly appreciated.

Mr. Don Lendry, Josten Rep, for all his ideas, encouragement and help.

Mr. Mitchell Kuzdzal, for the continuous pat on the back and for all those "Hi's".

Mr. Alfred Pinciak, for his insightfulness and non-stop support and time - even though he always had 20 other things to do.

Mr. Stanley Kocikowski, for his support.

Mr. Ronald Aicklin and Mrs. Christine Wilk, Senior Class Advisors, for trying to bring our class together and your never ending concern.

The Class Officers, Stacy, Jenn, Carolyn, and Sarah, for their help, dedication, concern, questions, and of course, respecting secrecy.

Kelly Conway, Kim O'Neill and Virginia LiTrenta, for going out of your way to make our Senior section the best ever.

Randy Manseau and Mike Levesque for overcoming technical problems and still producing a quality Underclassmen section.

Sarah Burke, Amber Desjardins, and Maria Vore for trying new things and creating a fabulous Faculty section.

Trish Kmon and Jason Quenneville for an action-packed Sports section.

Carmen Alvarado and Steve Poulin for putting together an Academic section to be proud of and for doing so well ahead of deadlines.

Colleen Harackiewicz and Dawn Belanger for creating a super Clubs and Activities section.

Tracy Pimpare and Amy Rabinsky for going all out and trying new things with an entirely revised Student Life section.

Missy Goodenough and Diane Gagnon for giving up their mornings for Subscriptions.

Wendy Barabani for keeping track of all the finances and billing for the Ads.

Greg Croteau and Tami Wall for putting together the Advertising section.

Marc Lapierre for all the incredible art work he did throughout the book.

Toni Paquette for an unbelievable cover. Thank you for getting it to look just the way I wanted-perfect!

Photographers for capturing all our memories on film.

All the staffs for giving up your time to help me and this book.

All my family, friends and teachers who gave so much help and support. I know who you all are and I thank you from my heart.

Special thanks to Sarah Burke, Maria Vore, and Julie Heroux.

Graduation was the last time that every piece joined to form our puzzle. But, just as we've all been one for four years, we will never be the same ever. Graduation sends us all our own separate ways. Some will continue their education at college, others will enter the armed forces, and still others will venture out into the workforce. All we will have left are our own memories of this giant puzzle- the CLASS of '92!

I hope you will all take your own memories with you and that they will help you to succeed in life. Even though we will never be the same we will always be a part of this great picture.

There are things that I will never forget about my four years at Comp. Among those is all the help and support I got in producing this yearbook. Just by being there, you have all contributed to MEMINI '92 whether you know it or not. This is OUR book. It will always be here forever to help us remember our four years at Chicopee Comprehensive High School.

Thank you,
Peter
